 - ②Buy a recycle ticket at Post Office and bring together with the item to designated site. ※Please check approved sites on Kawagoe City's official website.
 - ③Buy a recycle ticket at Post Office and request licensed agent to collect. ※Collection and delivery fees are necessary in this case.
- For details contact Shigenjunksu Suishin-Ka (Resource Recycling Promotion Division).

For the personal computer disposal, contact manufacturer.

If you don't know how to make contact with the manufacturer, consult PC 3R Promotion Center (03-5282-7685).

For inquiries, please call Resource Recycling Promotion Division (049-239-6267 only in Japanese). For those without Japanese skills, please consult with a Japanese speaker.

Kawagoe City's guide for separating and disposing household trash (English version)

We have strict guidelines for each trash category.

These are necessary for Kawagoe to recycle as much trash as possible.

Please cooperate in protecting our environment.

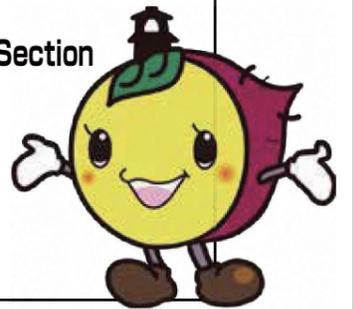

Rules of trash disposal

- ★ Trash collection days vary according to your neighborhood. Please check the Japanese version for details.

If you don't know your neighborhood's schedule, please contact Shushu Kanrika= Collection Management Section (tel:049-239-5058 Japanese only).

For holidays and New Year collection, please check the Japanese version.

- ★ Put trash out be 8:00 AM on collection days. Don't put garbage out the previous night in order to reduce fire hazard.

Smartphone application introducing Kawagoe City trash collection system.

The smartphone application for how to divide and dispose of garbage is free though users are responsible for any data charges. An alert function for your neighborhood's collection days can also be activated.

How to download

- Read the QR code with your smartphone.
- Or, search for Kawagoe gomibunbetsu in Google Play (Android phones) or App Store (iPhones).
